

ABSTRACT SUBMISSION GUIDELINES

Join us at the **Dubai Stem Cell Congress – 3rd Edition** to exchange ideas, collaborate with peers, and contribute to advancing the fields of stem cell and regenerative medicine. Please ensure your submission complies with the following guidelines.

1. Eligibility

Abstract submissions are open to:

- Students (undergraduate and postgraduate).
- Postdoctoral researchers affiliated with recognized institutions.
- Established researchers and scientists from academia, clinical practice, or industry.

Important Notes:

- Abstracts must represent **original research** that has not been published or presented elsewhere.
- Any **speaker** or member of the **scientific committee** cannot be the first author to ensure impartiality.

2. Abstract Content Requirements

Your abstract must include:

a. Title

- A concise and descriptive title (maximum 20 words) reflecting your research.

b. Author Information

- List all authors with full names and institutional affiliations.
- Clearly designate the first author and provide contact details for correspondence.

c. Abstract Body

- **Background and Aim:** Introduce the research context and objectives.
- **Methods:** Summarize the methodology used.
- **Results:** Highlight key findings with supporting data.
- **Conclusion:** Emphasize the significance and implications of your findings.

d. Keywords

- Include 3–5 relevant keywords.

- e. **Word Limit:** Abstracts must not exceed **500 words** (excluding title, author information, and keywords).

f. Formatting

- Times New Roman, font size 12, single-spaced.
- Submit in PDF format.

3. Submission Process

a. Submission Fee:

- **Students:** AED 200
- **Researchers and Postdoctoral Scholars:** AED 400

The fee must be paid at the time of abstract submission.

b. **Prepare Your Abstract:** Ensure it meets all the content and formatting requirements.

c. **Submit via Portal:** Visit the [Abstract Submission Page](#) to complete the form and upload your abstract.

d. **Confirmation:** Upon successful submission and fee payment, a confirmation email will be sent to the corresponding author.

4. Presentation Policy

- Organizers will contact authors of **selected abstracts** via email to inform them of their selection.
- For each selected abstract, the **organizers will award one free congress pass**, which can be used by either the first author or a co-author.

5. Awards and Recognition

Outstanding contributions will be recognized and celebrated during the congress:

- **Best Student Poster Award:** Recognizing exceptional research by students.
- **Best Researcher Poster Award:** Honoring top contributions by postdoctoral researchers and scientists.
- **Short Oral Talks:** Selected abstracts may be invited for short oral presentations to showcase their work to a larger audience.

6. Registration Fees

For individuals who require registration beyond the free pass:

- **Students:** AED 200
- **Researchers and Postdoctoral Scholars:** AED 400
